

Happy New Year

First of all, we wish to wish all of our clients and your families a very happy and prosperous 2018.

We have had a very busy end to 2017 and in this regard, we are delighted to announce that we have taken over the practice of Gandon Law.

We recently finalised the acquisition of Clonskeagh based firm, Gandon Law in recent weeks. Gandon Law has been operating since 1996 and has a large mix of commercial and private clients. The firm's Principal Sean O'Connell will stay on as a consultant and we will also welcome his assistant Linda McEvoy. We are currently in the process on recruiting a new Solicitor to cater for the added work load that will come with the added client base.

We look forward to keeping you updated on any relevant legal issues in the weeks and months ahead but in the meantime, if you have any legal requirements please don't hesitate to contact one of our solicitors and we will be only too pleased to hear from you and assist you.
