

## **We have been successful at this year's Irish Law Awards**

We are delighted to announce that we have been successful at the Irish Law Awards.

This year we won the excellence in marketing and communication award. We were shortlisted along with 7 other firms and needless to say, delighted to win.

We were also shortlisted for excellence in client service category and the Dublin firm of the year category.

The Irish Law Awards is an annual event designed to recognise excellence in the legal profession. We are delighted with the recognition achieved and believe it reflects on the hard work and commitment of everybody in the Dillon Solicitors Team who work extremely hard to try and meet and exceed our client's expectations.

We want to take this opportunity to thank you our clients as without you, we could not have the successful firm we have. We continue to strive to improve our standard of service and we look forward to looking after your legal needs in the months and years ahead.

From all at Dillon Solicitors.
