

Dillon Solicitors are delighted to announce that they have been shortlisted in the category of “Best Digital Presence” at the Annual Law Net awards, which will take place on the 10th of November in Oxfordshire. Law Net is the UK and Ireland's leading network of independent law firms promoting excellence and providing a range of benefits for members.

We have also recently received the ISO accreditation, which is an internationally recognized Quality Management System, which is focused on meeting customer expectations and delivering customer satisfaction.

These accreditations/recognition is testament to the commitment of Firm to our client’s needs and to the hard work of our excellent team.
